

## Tesco Stores Limited

**Position:** Analysis & Development - Site Research.  
**Salary:** £29K – £35K (negotiable)  
**Benefits:** To include Life Assurance, staff discount & private healthcare  
**Location:** Welwyn Garden City, Hertfordshire

### COMPANY:

Careers at Tesco come in many different forms, which is just what you'd expect from a successful and varied business like theirs. And with over 350,000 employees in 14 countries and almost 2,000 stores in the UK alone, they can offer the kind of diversity of opportunity that you're unlikely to find anywhere else.

### ROLE:

Tesco are now looking to recruit an Analyst, within Site Research's Analysis & Development team. This team plays a key role in supporting the UK business expansion through the development of sales forecasting models, general analytical support, and the provision of Insight into store performance.

### RESPONSIBILITIES:

You will be expected to:

- Develop Site Research forecasting models.
- Consistently deliver high quality, data based and objective Site Research input.
- Help Site Research to make correct business decisions on the subjects in which you are involved.

### KNOWLEDGE/EXPERIENCE:

The successful applicant is likely to have:

- Numerical degree or equivalent
- Previous analytical experience
- Good knowledge of Statistical software, spreadsheet & databases
  - The team currently use Access, Excel and SAS
- Geographic Information System would be an advantage (MapInfo/Smallworld)
- Detailed knowledge of Analytical and Statistical Techniques
- Presentation / writing skills
- Retail Knowledge
